Mr. Leonard is a member of the board of lectureship of the mother church, at Boston, and his presentation of the suttlect showed a broad grasp of the principles of Christion Science.

Continuing, Mr. Leonard said:
"It teaches us that we can not do wrong, than say we are sorry, do it all over again, and again, and be forgiven, and find salvation, just because we say we are sorry. It teaches that prayer cannot be used to excuse ourselves nor to placate God. In fact, Christian Science teaches us that all sin is unpardonable, that sin must be forsaken in order to be overcome, thus

Comparative Costs of Chapter 2

Monday's News Scimitar we promised to quote some figures showing the increased cost of the raw material entering into the production of We quote herewith from a recent compilation:

	@1914	Jan. 1920
(foot)	.25 to .28	1.40 to 1.5
(foot)	.25 to .30	1.60 to 1.7
(foot)	.18 to .25	1.40 to 1.6
(foot)	.25 to .40	1.25 to 1.6
(pair)	.40	1.2
00 lbs.)	\$8	\$3
	(foot) (foot) (foot)	(foot)

Are you paying \$35 for your Shoes which in 1914 cost \$8? And yet, a great ceal of cotton enters into the construction

Those of the Cotton Country are saving money on every purchase as compared with 1914, unless the increased cost exceeds the increase in the cost of Cotton
